**Attachments:** DS1011D SHEET 2 OF 2.pdf; DS1011D SHEET 1 OF 2.pdf

Karl,

We received the deficiencies for Task ID 2820 for the Deer Creek WRS as-built maps. Attached are Maps 4-1, DS1011E, 1 of 2 and 2 of 2 with the diversion ditch located on them. I believe you and Kerry had settled this sometime ago when I was gone. Please review and let me know if I can submit clean copies to close out this task.

Thanks

Dennis,

I quickly reviewed the attached maps and they contain the ditch, which was my concern. I would say that it looks good to submit as clean copies.

Thanks,  
Karl
