Dear Mr. Fleck:

The Division has reviewed your application to update Volumes 2 and 10 of the Mining and Reclamation Plan for the Deer Creek Mine.

The Division has determined that a deficiency (attached) must be addressed before a determination can be made that the requirements of the R645 Coal Mining Rules have been met, and an approval can be granted.

Please respond to this deficiency by March 30, 2007. If you have any questions please call me.

Sincerely,

Pamela Grubaugh-Littig,
