Subject: Annual Reports

Dennis,

Thank you for sending the electronic copies of your Annual Reports in a timely manner. As per our policy, we need at least one hard-copy of the reports for our Public Information Center. That should include the associated confidential information separated, and properly labeled. We already have hard copies of the raptor map - we do not have hard copies of any other maps. All maps and other reports that require P.E. certification must have an original, non-electronic signature and date according to State licensing rules.

You may combine the hard copy reports as you have in the past.

If you have any questions please call me (801.538.5320), or Angela Nance (801.538.5264).

Thank you very much,
Dana
