Re: Interwest Mining Co., Subsidiary of PacifiCorp, Request for Extension of Time to Submit
and Updated R2P2 for the East Mountain LMU (UTU-73336)

On April 6, 2010, the Bureau of Land Management (BLM) issued an assessment of the
remaining East Mountain recoverable reserves along with a requirement that PacifiCorp provide
a proposed R2P2 revision within 90 days of receipt of the letter. On June 30, 2010 PacifiCorp
made a timely request for a 90 day extension to fulfill this requirement for a proposed East
Mountain R2P2 revision.

BLM grants a 90-day extension starting from the date of receipt of this letter.

If you have questions please call Jeff McKenzie at (801) 539-4086 or Steve Rigby at (435) 636-
3604.
