Steve,

Daron's voice mail OGM says that he will be out of the office until the 31st, so I am including you on the send list for this request.

Our original time extension request was for 30 days, from September 28th to October 28th. I should have requested 45 days. The letter is a request for an additional 15 days to complete this task.

Call me if you have any questions.

Thank You,

Ken

The current extension expires on October 28.
