Bond Rider Accepted

By decision dated December 12, 2011, PacifiCorp was notified that coal logical mining unit bond in the amount of \$3,253,000 covering the East Mountain LMU, UTU-73336 could be reduced to \$2,100,000. This change in bond amount is pursuant to regulations at 43 CFR 3474 that allows for the amount of any bond to be adjusted when additional/lesser coverage is determined to be appropriate.

On January 4, 2012, PacifiCorp submitted a rider to surety bond (No. 103771496) decreasing the amount of the bond to \$2,100,000 with PacifiCorp, as principal, and Travelers Casualty and Surety Company of America, as surety. This bond rider has been examined, found to be satisfactory and is hereby accepted effective the date of filing.

Note that your request to terminate the period of liability of the \$236,000 bond covering coal lease UTU-84285 cannot be completed until we can formally add this lease to the East Mountain LMU. The bond may be terminated at that time.
