Huntington, Utah 84528

Subject: Conditional Approval to Reduction of Water Monitoring, Energy West Mining Company, C/015/0018, Task ID#4715

Dear Mr. Fleck:

The above-referenced amendment is approved conditioned upon receipt of 2 clean copies, with the following list of edits included, prepared for incorporation. Please submit these copies by December 12, 2014. Once we receive these copies, final approval will be granted.

- 1) Update Table of Contents in 'PART 2 – ENVIRONMENTAL RESOURCES' to include a reference to the additional information submitted within this task.
- 2) Update C-2 form to say '[X] Replace TABLE OF CONTENTS page i'
- 3) Form C-2, Line 3: replace 'Map HM1-A' with 'Map HM-1A'
- 4) Form C-2: Delete line '[X] Replacement of page 2-219'
- 5) Update line 3 of Form C-2 to be: '[X] Add -- Volume 1, Part 2: add 2-220 through page 2-225' (This will add the supplemental text to the end of Volume 1, Part 2, as opposed to deleting the information about the Alluvial Valley Floor found on page 2-219.)

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5325 or Keenan Storrar at (801) 538-5345.

Sincerely,

Daron R. Haddock
Coal Program Manager
