Subj: SUBMITTAL #3 - Amendment to Revise the Text Section in the Legal and Financial Volume, PacifiCorp, Cottonwood/Wilberg Mine, C/015/0019, Deer Creek Mine, C/015/0018, Emery County, Utah.

PacifiCorp, by and through its wholly-owned subsidiary, Interwest Mining Company, as mine manager, hereby submits SUBMITTAL #3 of three amendments to amend the permit areas of the Cottonwood/Wilberg (SUBMITTAL #1) and Deer Creek (SUBMITTAL #2) mines. The first two amendments include revising Appendix C and Appendix G in the Legal and Financial Volume, as well as maps of the respective MRPs for both Cottonwood/Wilberg and Deer Creek mines. This third amendment (SUBMITTAL #3) includes revising the text section in the Legal and Financial Volume.

PacifiCorp proposes amending the permit boundary by adjusting the western boundary of the Cottonwood/Wilberg Mine in the fee area of T17S, R6E of Section 25 from the center line of the Cottonwood Canyon Creek to the center line of the Emery County Road #506. This adjustment is necessary because of the purchase of the Trail Mountain Mine by Fossil Rock Resources, LLC. The Cottonwood Canyon Creek traverses the Trail Mountain Mine disturbed area (Fossil Rock Resources, LLC fee area). The western boundary of the Cottonwood/Wilberg Mine therefore, overlaps the Trail Mountain Mine disturbed area. By adjusting the boundary to the center line of Emery County Road #506, both the Cottonwood/Wilberg Mine and the Trail Mountain Mine can be identified and managed as separate and independently owned mine properties.

In a concerted effort by the parties to clean up this overlap, it is PacifiCorp's understanding that Fossil Rock Resources, LLC agrees to this change and will submit a similar amendment to adjust the Trail Mountain Mine permit boundary east from the center line of the Cottonwood Canyon Creek to the center line of the Emery County Road #506.

The text section of the Legal and Financial Volume is amended as dictated by the permit boundary change as described above. Other revisions were made to bring this section up to date. These other revision include Appendix A, Officer and Director List.

The required C1/C2 forms are attached. Once the Division conditionally approves the three amendments, Interwest Mining Company will submit clean copies to the Legal and Financial Volume and the Maps of their respective MRP.

Please feel free to call myself at 435-687-4712 or Dennis Oakley at 435-687-4820 if you have any concerns regarding this action.

Sincerely,

Kenneth S. Fleck

This application for a mining and/or reclamation permit is submitted to the State of Utah, Department of Natural Resources, Division of Oil, Gas and Mining, in accordance with the Utah Coal Mining and Reclamation Act, Title 40, Chapter 10, U.C.A., 1953 (as amended); the applicable rules and regulations adopted thereunder; the Surface Mining Control & Reclamation Act of 1977, and applicable regulations adopted thereunder (30 CFR 770, et seq.), the Cooperative Agreement between the State of Utah and the United States Secretary of Interior, and other applicable laws and regulations. The information divulged in the following sections is common to the ~~four said~~ **two referenced** permits held by PacifiCorp. Any information specific to a particular permit is listed under the related permit name.

R645-301-112: Identification of Interests

PacifiCorp, an Oregon Corporation, was incorporated on August 11, 1987. On January 9, 1989, Utah Power & Light Company (UP&L), a Utah Corporation, and PacifiCorp, a Maine Corporation, were merged with and into PacifiCorp, an Oregon Corporation. At that time, all outstanding shares of Capital Stock of PacifiCorp (Maine) and UP&L were converted into shares of capital stock of PacifiCorp (Oregon). UP&L became a Division of PacifiCorp (Oregon). On October 1, 1990, Energy West Mining Company, a wholly owned subsidiary of PacifiCorp, replaced the UP&L Mining Division as operator of the Utah mining operations. In 2015, East Mountain Energy replaced Energy West Mining **Company** as mine operator of the Deer Creek Mine. PacifiCorp now owns the following mines in Utah: the Deer Creek Mine and Cottonwood Mine. PacifiCorp's Interwest Mining Company, a wholly owned subsidiary, manages all mines owned by PacifiCorp.

The following background information is provided on the historical changes in ownership of PacifiCorp. On November 29, 1999, PacifiCorp was acquired by Scottish Power. Later on, effective as of March 21, 2006, MidAmerican Energy Holdings Company (MEHC) acquired PacifiCorp from Scottish Power. MEHC is a global energy company based in Des Moines, Iowa. Then effective April 30, 2014, MEHC became known as Berkshire Hathaway Energy

Company.

With this change, PacifiCorp still retains its original corporate identity within the Berkshire Hathaway Energy Company organizational structure. PacifiCorp, an Oregon corporation, remains the same Oregon corporation today as when initially incorporated on August 11, 1987. PacifiCorp continues to operate as a public utility providing electric service to customers in the six western states of Oregon, California, Washington, Idaho, Utah and Wyoming.

Effective June 29, 2015, East Mountain Energy, LLC replaced Energy West Mining Company as mine operator of the Deer Creek Mine. The Deer Creek Mine is no longer a producing mine and is in the process of final closure and sealing of the mine in its entirety. East Mountain Energy, LLC is providing interim day-to-day care while an in-mine ground water management system is put in place and the mine is completely sealed and closed. PacifiCorp has no affiliation with East Mountain Energy, LLC, other than a contractual service agreement to provide interim day-to-day care of the mine until the mine has been closed and permanently sealed or other arrangements have been implemented. All DOGM/OSM permitting, compliance and regulatory matters pertaining to the Deer Creek Mine (permit no. C/015/0018) and the Cottonwood/Wilberg Mine (permit no. C/015/0019) will be handled by our Huntington office staff of Interwest Mining Company, a wholly-owned subsidiary of PacifiCorp and managing agent for PacifiCorp's coal mine operations in Utah. PacifiCorp owns the following mines in Utah: the Deer Creek Mine and Cottonwood Mine.

The information required by the regulations with respect to PacifiCorp and its officers and directors is contained herein as part of Appendix A.

R645-301-116: Permit Term

Each respective mine’s permit are for a five (5) year permit term; however, schedules for mining coal are included in the mining plan narrative and are tabulated for the life of the lease.

R645-301-117.100: Certificate of Liability

The liability insurance coverage required is provided by a policy issued to applicant. Applicant will insure that such insurance coverage is maintained in “full force” and effect during the life of

the permit and through completion of reclamation, or will provide evidence that the self-insurance requirements of R645-301-890.100 have been satisfied by it. See Appendix E for certificates of liability.

R645-301-117.200: Proof of Publication

See Appendix F for publication proof of permit applications.

Miscellaneous

For mine permit boundary descriptions and acreage's see Appendix G.

For information relating to partial relinquishment of the permit areas, see Supplemental Volume 1 pertaining to lease relinquishment. This volume includes subsidence and drill hole information, as well as, an informational assessment of the hydrological and biological systems of East Mountain.
