Grant and Jeff,

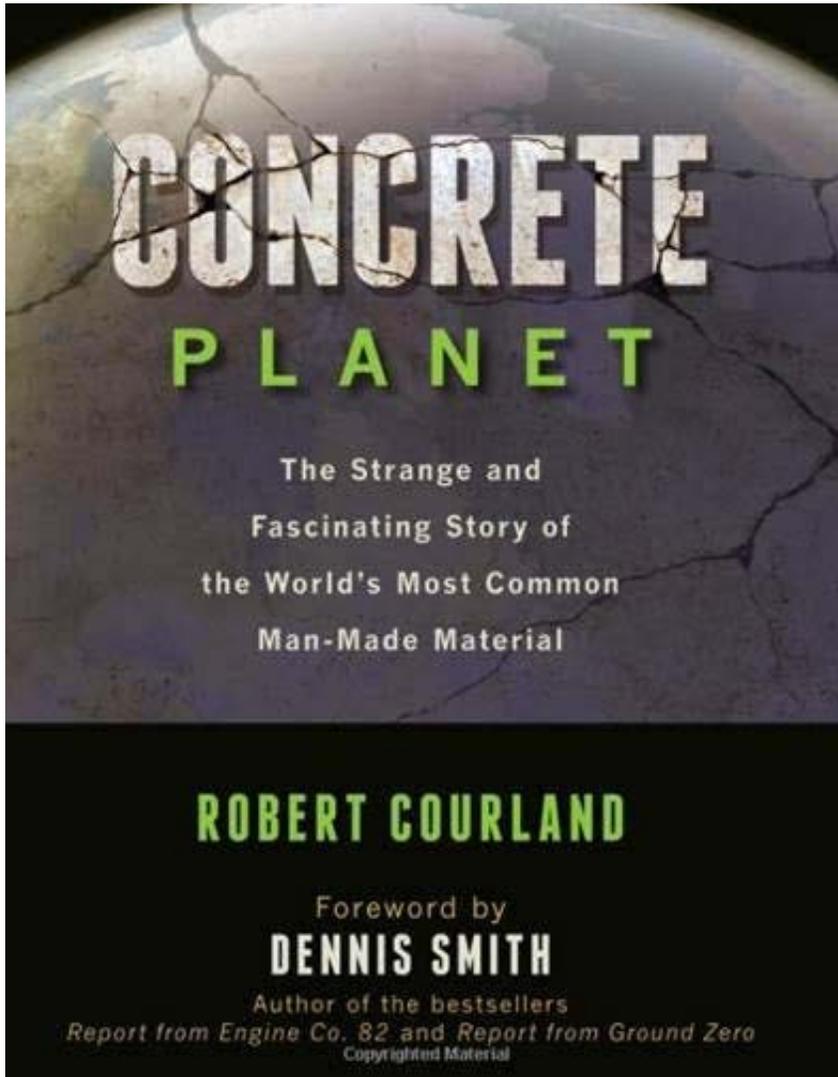

First of all, Ken, Louie and I would like to express our gratitude to you for providing valuable technical insights and recommendations on the Deer Creek Mine closure process. We really appreciate discussing technical specifications with people who have passion for taking on challenging projects.

Attached is copy of the technical specifications developed for the interlocking parallel plugs and seal enhancements. All four contractors selected have past experience working in the Deer Creek Mine. Bid process is as follows:

- Required Pre-Bid Meeting: March 10, 2016
- Presentations
  - Bidder #1: March 23, 2016 Morning
  - Bidder #2: March 23, 2016 Afternoon
  - Bidder #3: March 24, 2016 Morning
  - Bidder #4: March 24, 2016 Afternoon
- Bids due: April 7, 2016
  - Bid review: April 11-12 2016
  - Bid Clarification/Questions: April 13 – 14, 2016
- Issue Bid: April 18, 2016

As we discussed, we would be very interested in you reviewing the bids, with emphasis on SCC and delivery. Could you email me your hourly rates for technical review.

Also, for your long travels, here is a book I think you would really enjoy.
