Keenan,

The second quarter water report is ready for upload into the Division's database. Please note that there are third quarter sites ready for upload. However, if you could leave those sites in the pipe line it would help me keep organized.

Also note that HCCC01, HCCC04, and HCCC06 are not included with the second quarter data. I have to retrieve this data from the Huntington Power Plant and am still waiting for this data. I will let you know when these three sites are ready for you to upload.

Let me know if you have any concerns.

Thanks

Keenan,

Attached are two water reports for the Deer Creek WRS Well. The reports are for the 4th quarter of 2015 and 1st quarter of 2016. I can't remember if BRC Wellington has been submitting these reports or not. If they haven't, here they are!

Thanks
