Re: Identification Signs for
Wilberg, Deseret-Beehive &
Dove, and Deer Creek Mines

Dear Mr. Heward:

The ½ scale copies of the signs for the three coal mines listed above which were delivered to this office by Mr. Bill McQuaid on August 3, 1978 appear to be in compliance with the requirements of both the Initial Program rules and regulations M.C. 715. 12(a) and the proposed Permanent Program regulations (Sec. 816.11(a) (1), (2), and (3)).

Since these are the first signs to be approved by the Division, the prototypes which you submitted will be forwarded to the OSM, Denver office for their concurrence. We anticipate a response by August 21, 1978 in this regard.

Sincerely,

Ronald W. Daniels
