Re: East Mountain Water Monitoring

Dear Ron:

We are finally able to get together on a date for the meeting between Utah Power & Light and Crawford, but I was unable to reach you yesterday to see if the date presented any problem. I believe at one time you indicated that Wednesday afternoon would be agreeable to you. Accordingly, we have tentatively set the meeting for Wednesday, November 15, 1978, at two o'clock p.m. Please let me know if this presents any problem.

Very truly yours,
