Mr. Ron W. Daniels
Coordinator
Mined Land Development
State of Utah
1588 West North Temple
Salt Lake City, Utah 84116

Dear Mr. Daniels:

This is to formally advise you that Meadowlark Farms, Inc. has not extended its option with Kaiser Steel on their South Lease; therefore, we do not plan to carry out the exploration program which we had submitted on May 18, 1979.

We appreciate your cooperation in helping us during our option period and look forward to having the opportunity to work with you again in the future.

Yours very truly,

CW Porterfield
C. W. Porterfield
Vice President
