Mr. Ronald Daniels
Division of Oil, Gas & Mining
1588 West North Temple
Salt Lake City, UT 84116

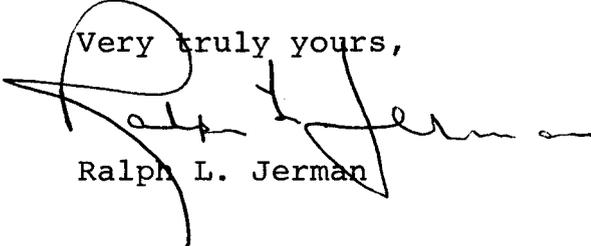

Dear Mr. Daniels:

Enclosed herewith are ten complete packets of Utah Power & Light Company's Errata package to be included in Utah Power's Wilberg Mine Permit Cottonwood Portal Modification. This material is submitted in answer to U.S.G.S.'s letter of November 21, 1979, addressed to Mr. Don Crane of the Office of Surface Mining. The items added, amended or changed are to bring the submittal in line with the requirements of O.S.M. and U.S.G.S.

Please forward seven copies on to O.S.M. as quickly as possible so that they can include this material in their review of Utah Power's application. We have also sent updates to other agencies to whom we have supplied copies of the submittal (see listing below).

Thank you for your assistance. If you have any questions, please let us know.

Very truly yours,

Ralph L. Jerman
