Dear Mr. Daniels:

On January 10, 1979, at 7:00 p.m., a meeting will be held at the court house in Castle Dale, Utah, to give landowners, cattlemen, county commissioners, and other interested individuals the opportunity to express their views on the implementation of the proposed Emery 3&4 Power Project.

At 9:30 a.m. the following day (January 11), representatives from Utah Power and Light and affected State and Federal agencies will meet at the junction of Cottonwood Canyon and Straight Canyon (U-29). We will tour the sites of the proposed and alternate portal locations and the alignment of proposed right-of-way for related facilities in Cottonwood Canyon.

Please notify the appropriate individuals in your agency who will attend this meeting and field trip. If you have any questions, please contact Don Cain or Larry Eyre at 524-4257.

Sincerely yours,

Milton Spencer
Associate State Director
