RE: Wilberg Waste Rock Piles
Wilberg Mine
ACT/015/018B
Emery County, Utah

Dear Mr. Heward:

The Division has reviewed Utah Power and Light's revised plans submitted July 3, 1980, regarding the three waste rock areas that were cited as being in violation during the April 9, 1980, joint Federal-State inspection. Before implementation of said plans can begin, the following information must be supplied by the operator in accordance with sections 817.41-46, 817.71-74 and 817.111-116 of the performance standards of the permanent regulatory program. The enclosed comments on plans submitted July 3, 1980, have been provided for your information.

If you have any questions regarding the comments or requirements contained herein, please feel free to contact the Division.

Sincerely,

JOSEPH C. HELFRICH
