Re: Utah Power & Light Company v.
Office of Surface Mining

Dear Denise:

Pursuant to our recent conversation, I enclose a copy of the notice of depositions in the above matter and a copy of the pertinent provisions of 43 C.F.R. You will note that the State has the right to intervene at any time. However, the matter is moving along fairly rapidly and if something is not done shortly, I am afraid it will be too late. I assume that you will have someone at the depositions (assuming they go as scheduled).

I would appreciate it if you would call and let me know what the State is going to do.

Very truly yours,

Ralph L. Jerman
