RE: Request for Utah Power &
Light Company Ground-Water
Monitoring Report

Dear Mr. Crawford:

Concerning your recent (October 24, 1983) request regarding the possibility of obtaining a copy of Utah Power & Light Company's ground-water monitoring program report (dated March 1983), this information is available for review or copying at the Division offices.

The company was contacted with regard to your request and has been directed to recommend that you utilize the copy(ies) on file at this office.

The Wilberg, Deer Creek and Des-Bee-Dove permit applications are undergoing the second completeness review. Upon determining that the application is complete, a notice will be published in the local newspapers as required under UMC 786.11(a). Following the last publication notice, you will have 30 days to comment.

If you have additional questions, please feel free to contact Thomas Munson or D. Wayne Hedberg of the Division staff.

Sincerely,

JAMES W. SMITH, JR.
