In Reply Refer To Case No. F292

Dear Mr. Smith:

The Utah Preservation Office has received for consideration a copy of the most recent submittals for the Mining and Reclamation Plan for the Wilberg Mine. After review of the submittals, our office notes no new changes in the cultural resource plan, therefore our office has no comment about the submittal.

Since no formal consultation request concerning eligibility, effect or mitigation as outlined by 36 CFR 800 was indicated by you, this letter represents a response for information concerning location of cultural resources. If you have any questions or concerns, please contact me at 533-7039.

Sincerely,

  
James L. Dykman  
Cultural Resource Advisor
