RE: U.P. & L.'s Response to ACR for MRP at Wilberg Mine

Dear Dianne:

The Division has evaluated Utah Power and Light Company's February 1 and 10, 1984 responses to the Apparent Completeness Review for the Mining and Reclamation Plan at the Wilberg Mine. Our comments remain the same as those provided January 27 and 31, 1984.

Thank you for an opportunity to review the MRP and provide comment.

Sincerely,

Douglas F. Day
Director
