Dear Ms. Pruitt:

This letter is to confirm our telephone conversation of March 11th.

All abatement measures discussed on the site visit of February 27, 1985, were completed by the abatement deadline of March 8, 1985. Except for the two culverts that are half full of sediment. These will need to be cleaned once the frost leaves.

Should you have questions contact me.

Sincerely,

Larry J. Guymon
Construction Manager
