Dear Kathy:

REGARDING: Wildlife Mitigation Plan for Wilberg Waste Rock Site and the Des-Bee-Dove/Wilberg Junction Road

As we discussed earlier this week, I am respectfully requesting an extension of the deadline from February 28th to April 15th, for submittal of the Mitigation Plan. This will allow time for finalizing and implementing the Raptor Monitoring Plan which is critical at the time.

Your consideration and assistance in this matter is appreciated. Please advise me of your decision at your earliest convenience.

Sincerely,

Val Payne
Environmental Engineer
