Dear Mr. Shingleton:

Re: Notification of Temporary Conveyor Belt Removal and Temporary Bridge Installation, Utah Power & Light Co., Wilberg/Cottonwood Mines, ACT/015/019, Folder #3 & #7, Emery County, Utah

The Division has received your June 11, 1986 notification of Utah Power and Light Company's (UP&L) proposed maintenance activities associated with the 3rd East air portal and temporary conveyor belt.

The Division considers this temporary action a beneficial maintenance activity and concurs with UP&L that formal review and approval is not required for this project.

Thank you for your continued cooperation.

Sincerely,
