Dear Lowell:

We have reviewed PAP Amendment, Relocation Security Guard Shack/Minor Road and Surface Drainage Changes, UP&L Company, Wilberg Mine, ACT/015/019 - 87A, Folder No. 2, Emery County, Utah.

No problems with the proposal have been identified. The project area lies off-lease within an area where facilities have been authorized under a Forest Service Special Use Permit. The proposed facilities will be authorized by the Forest Service under this existing permit.

We received only one copy of the PAP Amendment and drawings. In order to complete timely reviews of proposed amendments and modifications, we require two copies of all materials. Please send us another copy of Drawing CM-10744-WB and the site plan for our files.

If you have any questions, let us know.

Sincerely,

W. H. Bailey
