Re: Supplemental Information, Request to Amend East Mountain Spring
Monitoring Program, Utah Power and Light Company, Wilberg Mine,
ACT/015/019-86A, Folder #2, Emery County, Utah

Enclosed is one (1) copy of Utah Power and Light Company's amended plans for a MRP Amendment for their Wilberg Mine in Emery County, Utah. This material is for your review, information and files. We welcome any written or verbal comments you may wish to provide. The Division anticipates completing its initial review by March 25, 1987.

Since this issue has been a subject of debate with the Forest Service, it appears that a meeting to discuss this request would expedite processing of this amendment. Please advise me if a representative from your office can attend a meeting on Wednesday, March 25, 1987 in the Forest Service office at Price, Utah to resolve this issue.

If you have any questions or need additional information, please contact me or John Whitehead, Permit Supervisor, at (801) 538-5340.

Sincerely,

ACT/015/019-86A, Folder #2, Emery County, Utah

Enclosed are two (2) copies of Utah Power and Light Company's amended plans for a MRP Amendment for their Wilberg Mine in Emery County, Utah. This material is for your review, information and files. The Division anticipates completing its review by March 25, 1987. We would appreciate receiving any written or verbal comments you may have by this date.

Since this issue has been a subject of debate with the Forest Service, it appears that a meeting to discuss this request would expedite processing of this amendment. Bill Boley and John Whitehead have set up a tentative meeting in your offices on March 25, 1987 to discuss this matter.

If you have any questions or need additional information, please contact me or John Whitehead, Permit Supervisor, at (801) 538-5340.

Sincerely,
