Dear Mr. *Dave* Smaldone:

Re: Approval, Mid-Term Permit Review, Deer Creek Mine, Utah
Power and Light Company, ACT/015/018, Folder No. 3, Carbon
County, Utah

The Division has reviewed the materials submitted December 5, 1988 in response to the Mid-Term Review for the Deer Creek Mine in Carbon County, Utah. The Division finds that all deficiencies identified in the mid-term review process have been adequately addressed and approval is hereby given to the Permit Application Package as updated.

Please feel free to contact Lowell Braxton or John Whitehead should you have questions.

Best regards,

Dianne R. Nielson

Mid Permit Term Review
Utah Power and Light Company
Deer Creek Mine
ACT/015/018

December 8, 1988

1. The Permit Application Package (PAP) has been updated by submittals up through December 5, 1988 and is now complete and current.
2. The consolidated PAP has been reviewed and found to comply with current Division of Oil, Gas and Mining (Division) policy and rules.
3. Utah Power and Light Company has no outstanding permit stipulations for the Deer Creek permit.
4. The applicant has proposed no changes to the application which would require a change in bond amount.
