Dear Mr. Smaldone:

Re: Amendment, Tipple Feed Drainage Control Changes, Utah Power  
and Light Company, Cottonwood/Wilberg Mine, ACT/015/019-88E,  
Folder #3, Emery County, Utah

This letter will serve to notify you that the above-referenced amendment is hereby denied and will be removed from our files until further notice. This is based on UP&L's decision to delay implementing any changes to the Tipple Feed Drainage until sometime in the 1989 construction season. Please feel to re-submit the amendment when UP&L is prepared to proceed with drainage changes in the Tipple Feed area.

If you have any questions on this matter please call me.

Sincerely,

A handwritten signature in cursive script that reads "John J. Whitehead".
