Dear Mr. Johnson:

Re: Request to Longwall Mine 8th East Panel, Utah Power and Light Company, Wilberg/Cottonwood Mine, ACT/015/019, Folder #2, Emery County, Utah

Attached are two submittals (May 24 and June 17, 1988) from Utah Power and Light Company regarding their request to longwall mine the Eighth East panel in the Wilberg/Cottonwood Mine. Attached to the first submittal is a stipulated agreement dealing with the appeal of the U.S. Forest Service Environmental Assessment decision in late 1987. Your review and concurrence of the approved mining of the Eighth East panel as proposed is requested.

Please feel free to contact me if you should have any questions on this matter.

Sincerely,

Lowell
