DIVISION OF
OIL, GAS & MINING

Mr. Rick Smith
Division of Oil, Gas and Mining
355 W. North Temple
3 Triad Center, Suite 350
Salt Lake City, Utah 84180-1203

Dear Mr. Smith:

The following information is submitted to you relative to the Cottonwood/Wilberg permit renewal:

Pages 9 and 10, the Table of Contents has been updated to 7/5/89.

Page 12, the List of Appendices has been revised to 7/5/89.

Page 13, the List of Maps and Drawings has been updated to 7/5/89.

Pages 1-5 and 2-151, the information on these pages has been deleted.

Page 3-0 has been added as a commitment to resolve Forest Service issues (letter from George Morris to Lowell Braxton, April 28, 1989) within sixty (60) days of permit renewal.

Page 3-59 has been revised with a revision date of 6/26/89.

Page 3-67B has been renumbered 3-67.1.

During review of information previously submitted it was discovered that two pages had been numbered 4-21. One of these pages has been renumbered 4-21.0.

Page 4-48.1 has been revised with a revision date of 6/26/89.

Page 4-50, the information on this page has been updated with a revision date of 7/5/89.

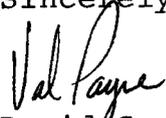

Page 21, Appendix III has been revised with a revision date of 7/5/89.

Appendix VIII, Ventilation System has been deleted.

Updated Maps for Appendix XIII have been provided.

Map 1-3, CM-10370-WB, Permit Area, has been provided. This map was incorrectly deleted in a previous submittal.

Sincerely,

For 
David Smaldone
Director of Permitting,
Compliance and Services
