Dear Mr. Smaldone:

Re: Review of Draft Hydrologic Section, Utah Power and Light Company, Des-Bee-Dove Mine, ACT/015/017; Deer Creek Mine, ACT/015/018; and Wilberg/Cottonwood Mine, ACT/015/019, Folder #2, Emery County, Utah

The Division's Hydrology staff has reviewed the draft hydrologic section for the Des-Bee-Dove, Deer Creek, and Wilberg/Cottonwood Mines submitted by Charles Semborski and Roger Fry.

The Division agrees with using this type of format. The document was well written and organized, which made it very easy to use and understand. We would like to see this format used for future submittals.

Sincerely,

A handwritten signature in cursive script that reads "Darin Worden".
