RE: Corn Cob Wash Portal, Utah Power and Light Company, Cottonwood/Wilberg Mine, ACT/015/019-90E, Folder #2, Emery County, Utah

Dear Lowell:

We received a copy of the subject permit change on May 18, 1990. As previously stated, the proposal should not affect National Forest System lands, therefore, we do not have any comments.

We received only one copy of the permit change and require a second copy to up-date our second copy of the Mining and Reclamation Plan on file at our Ferron Ranger District Office in Ferron, Utah. Please send us another copy.

Sincerely,

George A. Morris
