Dear Mr. Smaldone:

Re: Determination of Completeness, Waste Rock Storage Facility Addition, Utah Power and Light Company, Cottonwood/Wilberg Mine, ACT/015/019, Folder #3, Emery County, Utah

Division technical staff have reviewed the submittals received August 15, 1989, and January 31, 1990 for the Wilberg/Cottonwood Waste Rock Storage Facility Addition. Submitted materials are adequate to determine the Permit Application Package complete.

Upon receipt of this letter, Utah Power and Light Company must publish an advertisement in the Sun Advocate and the Newspaper Agency Corporation, providing all information as required under UMC 786.11(b). A notarized proof of publication should be sent to the Division following the consecutive four-week advertisement period.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
Pamela Grubaugh-Littig
Permit Supervisor
