Re: Division Order, Permit Deficiency - Sediment Ponds, PacifiCorp Electric Operations, Cottonwood/Wilberg Mine, ACT/015/019-DO-19A, Folder #3, Emery County, Utah Second Request for Response Extension

Dear Mr. Braxton:

We have procured the services of Hansen, Allen and Luce, Inc. (HAL) to address the above-referenced Division order. Mr. Marvin Allen of HAL has informed us that he can complete the project by Wednesday September 11. Our first extension request was granted by Pamela Grubaugh-Littig until September 9.

We respectfully request an additional seven days to assemble and submit a complete response to the permit deficiency regarding Cottonwood/Wilberg sediment ponds.

Your consideration is appreciated.

Sincerely,

J. Blake Webster  
Permitting Administrator
