Dear Mr. Webster:

Re: Conditional Approval for Yard Drain Location, PacifiCorp Electric Operations,  
Cottonwood/Wilberg Mine, ACT/015/019, Folder #3, Emery County, Utah

The above-noted amendment is hereby approved, conditioned upon submittal of all associated maps for the relocation of the two storage yard surface drains.

The deletion of one of the four drains, that has never been installed, must be clarified in a letter to the Division stating how the three existing drains provide "adequate" drainage.

Sincerely,

  
Pamela Grubaugh-Littig  
Permit Supervisor
