ORDER DO-91B, COTTONWOOD/WILBERG MINE, ACT/015/019-DO-91B,
FOLDER #3, EMERY COUNTY, UTAH**

Dear Ms. Grubaugh-Littig:

Per our telephone conversation regarding preparation of PacifiCorp's response to the above referenced issue, I respectfully request an additional three weeks to complete the permit amendment necessary to incorporate, into the PAP, the geotechnical data which addresses this issue. Significant map revisions are needed to complete the amendment; however, these cannot be accomplished by December 15, 1992.

Thank you for your consideration in this matter. Please call me at 653-2312 if you have questions or comments.

Sincerely,

A handwritten signature in cursive script that reads "Val Payne".
