**RE: Relinquishment of Additional Federal Coal Lease Acreage,
U-47978, East Mountain LMU, Emery County, Utah - Phase II**

Dear Pam:

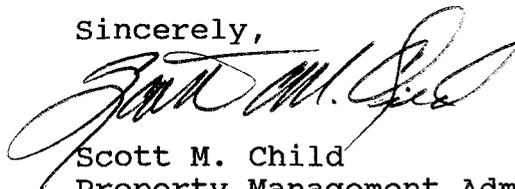

In addition to our request of the BLM in April of 1992 to relinquish federal lease acreage from PacifiCorp's East Mountain property, transmitted herewith for your information is a copy of our Phase II relinquishment application to the Utah State BLM office.

Upon BLM's acceptance and approval of both Phase I and II applications, we will submit to you under separate application the revised right of entry legal descriptions necessary to the amend the Deer Creek, Cottonwood and Des-Bee-Dove Mine permit boundaries.

Max Nielsen of the BLM state office is the lead person on this matter and he should be getting in touch with you to resolve some of the issues which Dr. Nielsen had regarding Phase I and the permittee's responsibility.

Meanwhile, should you have any questions, please feel free to contact me at 801-220-4612.

Sincerely,
