RE: 4th Quarter Coal:Rock Ratio Sampling Waiver, PacifiCorp,
Cottonwood/Wilberg Mine, Cottonwood Waste Rock Storage Facility,
ACT/015/019, Folder #2, Emery County, Utah

Synopsis

The operator has requested (December 10, 1992) a waiver from the fourth quarter coal:rock ratio sampling requirements enumerated in the PAP. This is requested because of the redundancy which would be encountered in sampling the waste rock which was deposited and sampled during the third quarter of this year.

Recommendation

Approve the requested waiver.
