RE: Legal and Financial Review of Permit, PacifiCorp Electric Operations, Cottonwood/Wilberg Mine, ACT/015/019, Folder #2, Emery County, Utah

Synopsis

The operator submitted a revised Legal and Financial section to the permit dated March 20, 1992, pages 1-1 through 1-23. This is a review of those pages.

Analysis

The submittal appears adequate except for the following listed deficiencies.

R645-301-112.230 Please provide the name, address and telephone number of the person who will pay the abandoned mine land reclamation fee (please note, the actual name of the person is required, not a title).

R645-301-112.230 Please provide for each person who owns or controls under the definition of "owned or controlled" (i.e., officers and directors) the date the position was assumed.

R645-301-112.340 Please submit for each person who owns or controls the permit applicant the employer identification number, Federal or State permit number, and MSHA number with date of issuance under which the person owns or controls, or previously owned or controlled, a coal mining and reclamation operation within five years preceding the date of the application.

Review Memo
ACT/015/019
June 4, 1992

R645-301-112.410 and 420 Please provide for any coal mining and reclamation operation owned or controlled by any person who owns or controls the applicant the name, address, identifying numbers, including employer identification number, Federal or State permit number and MSHA number, the date of issuance of the MSHA number, and the regulatory authority; and ownership or control relationship to the applicant, including percentage of ownership and location in organizational structure.

Editorial Comments

Please correct typo on page 1-1, and should be an.

Page 1-21, Beaver Creek Coal Company is now known as Mountain Coal Company.

Recommendation

The operator must correct and address the above noted deficiencies prior to approval.
