Re: Approval for Soil Investigation, PacifiCorp, Cottonwood/Wilberg Mine,  
ACT/015/019-94G, Folder #3, Emery County, Utah

Dear Mr. Payne:

Your request for conducting an exploratory soil investigation at the proposed overland conveyor site was received on December 19, 1994. You are hereby authorized to proceed with the soil exploration activities as you have outlined them. Please be aware that the soil investigation activities are all that is being approved at this time. You will need to obtain separate approval for any further construction of the overland conveyor facility.

Pacificorp must submit 11 copies of maps and plans showing the final disposition of the soil within 30 days after it is excavated and stockpiled.

Please call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".

Daron R. Haddock  
Permit Supervisor
