Re: Updated Sediment Pond Plates, Cottonwood/Wilberg Mine, ACT/015/019-94F,
Folder #3, Emery County, Utah

Dear Mr. Payne:

Revised Plates 3-29, 3-32, and 3-33 and 3-20 were field-verified. These plates correctly reflect sediment pond components as observed in the field and are approved for incorporation into the plan. Please submit nine more finalized copies of the as-builts.

If you have any questions, please call me.

Sincerely,
