Re: ALTERNATIVE SEDIMENT CONTROL AMENDMENT, PACIFICORP,  
COTTONWOOD MINE, ACT/015/019, EMERY COUNTY, UTAH.

*95F #2 Copy Amend. File*

PacifiCorp requests an amendment be granted to allow a Typical Alternative Sediment Control Measures drawing, Plate 3-27 to be added to the approved MRP per the Division letter dated June 7, 1995 and subsequent conversations with you about the Sediment Control Directive. It appears all other necessary information is already contained in the approved MRP. Please find enclosed fourteen (14) revised copies of page 14.1 of the TOC, and page 3-51.1, and fourteen (14) new copies of Plate 3-27.

Your help is greatly appreciated. If you have any questions please feel free to contact Karl Houskeeper at 687-4825.

Sincerely,  
*Val Payne*
