Attention Pamela Grubaugh-Littig:

Re: **AMENDMENT TO DRILL HOLES, PACIFICORP, COTTONWOOD MINE, ACT/015/019-95B, EMERY COUNTY, UTAH.**

2 Copy PAM, Sharon [Signature]

Per the phone conversation with you on March 8, 1995 the drill holes referenced in your letter of February 24, 1995 are temporary and not permanent. Since the drill holes are temporary and not permanent, the location map submitted is not part of the MRP and the ten additional copies requested by the Division are not necessary.

The temporary holes will be used until September 29, 1995. When the Tube Conveyor is completed it will house the communications and water lines

If the temporary holes need to be used longer than September 29, 1995 the Division will be notified.

Your help is greatly appreciated. If you have any questions please feel free to contact, Karl Houskeeper at 653-2312 Ext. #15 or myself at 653-2312 Ext. #16

Sincerely,

Val Payne
