PERMIT

Permit #199502

~~10/18/19 #2~~
95B

Application having been made by Energy West Mining Company through Val Payne, its authorized agent, with fees and bond being waived, and the Application having been reviewed and accepted, permission is hereby granted Applicant to proceed with temporary suspension and installation of conspec mine monitoring cables crossing Cottonwood Canyon road #506, at the location adjacent to the existing Cottonwood fan portal and Trail Mountain Mine area.

Stipulations:

Drill Hole

1. Dust control during construction period.
2. Proper signing while construction is in effect.
3. Posting for safety during construction and traffic control (if needed).
4. Road repairs in the event of damages.
5. Final inspection upon completion of installation.
6. Strict compliance with Ordinance 8-7-85A.
7. Suspended cable will be at least 18' above county road and sufficiently set back from travel lanes to avoid traffic incidents.

DATED this 15th day of February, 1995.
