Re: Three Temporary Drill Holes, PacifiCorp, Cottonwood Mine, ACT/015/019-95B,
Folder #2, Emery County, Utah

Dear Mr. Ehmett:

Enclosed please find the surveyed locations of three (3) temporary drill holes in Cottonwood Canyon, approved February 24, 1995. Please place Plate 3-16B in map pocket 3-16. Upon removal of the drill holes (approximately September 29, 1995), PacifiCorp will request that this drawing be removed from the mining and reclamation plan. If the temporary holes need to be used longer than September 29, 1995, the Division will be notified.

Sincerely,
