Re: Updated Legal and Financial, Cottonwood/Wilberg Mine, PacifiCorp, ACT/015/019-96B, Folder #3, Emery County, Utah. #2

Bill, the above mentioned file was an amendment to the PacifiCorp officers and Directors, while making the change in the permit to the approved pages 1-5 to 1-10, noticed that they do not fit into the permit chronologically and am now resubmitting the corrected page numbers that match those required in the permit. No change has been made other than the page numbers. According to our permit the correct page numbers are 1-8 to 1-13. Please check and confirm this with your permit pages. If all is satisfactory, these pages will require restamping of the approval date, and copies returned to PacifiCorp.

Please find attached seven copies of the revised pages.

Thank you for your assistance in completing this amendment, if there are any questions or concerns please call me at 687-4822.

Sincerely,

Richard Northrup
