**Re: Amendment To Surface Facility Drawing, Disturbed Boundary Line  
PacifiCorp, Cottonwood Mine, ACT/015/019, Emery County, Utah.**

#2

PacifiCorp, by and through its wholly owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, herewith submit an amendment to the Surface Facility Drawing #WS449E of the Cottonwood Mine to correct the Disturbed Boundary Line.

**GENERAL INTRODUCTION:**

A revised drawing of the Surface Facility Drawing # WS449E is required due to an error in transferring information on the Cad drawing.

**FINDINGS:**

The Cottonwood mine site Surface Facility Drawing #WS449E ( Cad Version) has been previously submitted to the Division for updating purposes and was approved and is part of the permit at this time. Since beginning to use the updated Cad version of this drawing the disturbed boundary line has been inadvertently omitted. Therefore Drawing #WS449E has been revised to include the disturbed boundary line and is being resubmitted for your approval.

Thank You for your assistance in resolving this matter, if there are any questions or further concerns please call Richard Northrup at 687-4822 or Chuck Semborski at 687-4720.

Sincerely,

Chuck Semborski  
Geology and Environmental Supervisor
