**Re: Discrepancy Regarding the Legal Description Submitted for the Old Cottonwood Waste Rock Site Relinquishment**

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, herewith submit a revised page 1-59 of the Cottonwood MRP.

An amendment to relinquish part of the Old Cottonwood Waste Rock Site was sent to the Division on August 19, 1997. On September 4, 1997 the Division informed Energy West that there was a discrepancy in the legal description contained on page 1-59. This page has been revised to reflect the correct legal description and is attached for your review.
