Re: Field Report on Fan Portal Area, PacifiCorp, Cottonwood/Wilberg Mine, ACT/015/019, Folder #3, Emery County, Utah

Dear Mr. Semborski:

Enclosed for your information and files is a field visit report which documents the April 15, 1997 visit to the Cottonwood Fan Portal. We hope this will be useful to you as you complete the response to our March 15, 1997 Technical Analysis. You should recall that the response is due by May 16, 1997.

We feel that the site visit was very productive and appreciate your work in correcting the reclamation plan for this area. If you have any questions regarding the site visit or the Technical Analysis, please don't hesitate to call.

Sincerely,
