Re: Amendment to Page 4-1 of the Cottonwood MRP, PacifiCorp, ACT/015/019, Emery County, Utah

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits an amendment to clear up confusing text regarding the Channel Canyon amendment (approved March 26, 1998) and Cottonwood Fan Portal amendment (approved May 18, 1998).

In June of 1997, the Cottonwood Fan Portal amendment was submitted to the Division. This amendment sought to remove any references pertaining to the Cottonwood Fan Portal construction and replace the text "Cottonwood fan portal" with "proposed Cottonwood fan portal" which is located throughout the MRP. In August of 1997, the Channel Canyon amendment was submitted to the Division to remove and/or change text regarding reclamation of the Channel Canyon portals.

Both submittals included pages 4-1 and 4-1.1 of the Cottonwood MRP in order to remove or replace text that pertained to each amendment. Unfortunately, the two amendments were completed at different time intervals and the last submittal did not include the previous amendment.

Attached is 7 copies of the redlined page 4-1 of the Cottonwood MRP which incorporates changes pertaining to both of the past amendments. Page 4-1.1 will be removed from the MRP. Also attached is the C1/C2 forms and 7 *clean* copies of the same page. If this amendment is approved, please stamp the clean copies and promptly return them.
