Re: Reduction of Permit Area (Bond Release), PacifiCorp, Cottonwood/Wilberg Mine,
ACT/015/019-BR98A, Folder #2, Emery County, Utah

Enclosed please find additional information for the reduction of the permit area at the Cottonwood/Wilberg Mine. Due to the fact that the area that is bonded is the permit area, this reduction in the permit area is considered a bond release which requires a public notice of this permitting action.

Initial information for this amendment was hand-delivered to your offices on January 27, 1998. Lease relinquishment information was also submitted previously to your offices for Phase I Lease Relinquishment (April 22, 1992), Phase II Lease Relinquishment (October 16, 1992), as well as supplemental information on (June 12, 1995, and revised June 4, 1996), and Phase III Lease Relinquishment (April 30, 1997.)

Please review this information and comment to the Division by April 1, 1998. If you have any questions, please call me at 801-538-5268.

Sincerely,

A handwritten signature in black ink, appearing to read 'Pamela Grubaugh-Littig'.
